

BOWL FOR KIDS' SAKE 2022

March 1, 2022

To Whom It May Concern:

Bowl for Kids' Sake will be held on **April 9th at the Melville Bowl Arena**. We would like to invite you to be a part of this exciting event by **becoming one of our sponsors** in support of our mentoring programs.

In exchange for your sponsorship contribution, we will offer you the great advertising benefits as outlined in the enclosed sponsorship prospectus. It is a great opportunity to promote your business and show that you care about kids! Please let us know what you are willing to commit to as soon as possible so we can outline how everyone could benefit from the sponsorship opportunities.

Did you know that every \$1 invested in mentoring through Big Brothers Big Sisters has an \$18 return value as youth reach their true potential and give back to society? We are a charitable non-profit organization that relies on the generosity of our community. The more funds we raise with your help the more children will benefit from mentoring. Each time we pair a child with a mentor or introduce a group of students to an in-school program, we **start something** incredible — a life-changing relationship built on friendship, trust and empowerment.

Our Mission is to enable life-changing mentoring relationships to ignite the power and potential of young people. We believe that by changing the course of young lives we can change the course of a community's future. It could lead to a reduction in poverty and unemployment, to safer schools and neighborhoods, and to a renewed optimism for growth. Whether it is in the form of time or money there is no more important investment we as individuals can make than in helping our community's children realize – and share – their full potential. We hope you will also **consider entering a team in this year's event as well**. Lace up for the most important fundraising event of the year and start something big. It is a commitment of only up to two hours, a chance to win great prizes and have lots of fun.

You could help us to make a difference in the lives of so many children. Please contact us at (306) 782-3471 or email me at bbbs.yorktonarea@bigbrothersbigsisters.ca for more information. We look forward to continuing to help change lives for the better with your support.

Sincerely,

Irma Van De Bon-Nicol

In fact, it will start something. Mentoring changes the course of young lives, which, in turn, can change the future of communities by making them better places to work, live and thrive. Research shows children who have been mentored have increased self confidence and are more likely to stay in school-empowering them to succeed, give back and realize their true potential. Thanks from all the kids!
